

United States Department of State

Washington, D.C. 20520

SEP - 6 2002

Dear Mr. Chairman:

Pursuant to Section 9001(e) of Public Law 106-79 and consistent with Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles to Pakistan.

The President made a determination in a manner consistent with Title IX of the Department of Defense Appropriations Act, Fiscal Year 2000 (Public Law 106-79) to waive sanctions on Pakistan in connection with the Glenn Amendment and related provisions, as reported to you by separate letter. Under Title IX, the issuance of a license for the export of defense articles or defense services to Pakistan pursuant to the waiver authority of that Title is subject to the same requirements as are applicable to the export of items described in Section 36(c) of the Arms Export Control Act and the Administration is treating authorization for the requested export consistent with these provisions.

The transaction described in the attached certification involves the re-establishment of Pakistan as an approved sales territory for depot level maintenance facilities for the Phalanx Close-In Weapon System.

The United States Government is prepared to authorize the export of these items having taken into account political, military, economic, human rights and arms control considerations.

The Honorable
Joseph R. Biden, Jr., Chairman,
Committee on Foreign Relations,
United States Senate.
